AGENDA

NOTE: At the discretion of the Board of Directors, all items appearing on the agenda, whether or not expressly listed for action, may be discussed and may be subject to action by the Board of Directors. I. CALL TO ORDER

President Todd Hawkins

- A. Roll Call

II. EXPOSITION PARK

President Todd Hawkins

- A. Discussion and Possible Board Action to delegate authority to the Director, with concurrence by the California Natural Resources Agency Secretary or his delegate, to execute a settlement agreement and/or any other documents necessary to address site control for construction related to the new underground parking structure, and its bond financing requirements. The terms of the settlement shall include provisions necessary to address how the Office of Exposition Park will redefine lots 4-6 in future amendments to leases and contracts such that certain spaces in the new underground parking lot will legally replace lots currently being demolished to which park partners have collective rights to, as well as State's rights to proportional shares. Such settlement will be contingent upon funding in the Governor's 25/26 budget and, if necessary, approval by the Department of Finance and the Department of General Services and include subordination of all rights to the Public Works Board lease-revenue financing mechanisms.
- B. Discussion and Possible Board Action to authorize CAAM to loan the Office of Exposition Park 200 parking spaces in collaboration with the California Science Center for purposes of helping offset interim parking impacts.
